ARCHITECTURE

Invitation to students from all over the world: The International College of Professionals C&C invites students of Architecture, urban design, Architecture Technology worldwide to register and send their final year projects. The winners will be selected by a professional international jury made up of the best architects in the world who will evaluate the work of all participants.

The Jaguar Guerrero International Award for Excellence of the International College of Professionals C&C is an initiative whose objective is to promote the profession of academic and professional architecture.

WORLD CONGRESS OF KNOWLEDGE MEXICO 2020

ARCHITECTURE

A wonderful portal to expose the works and creativity of young people, have the opportunity to establish networking, knowledge sharing and teaching methods.

The recognition of experts around the world and the opportunity to appreciate the best works.

The global talent awards are celebrated and celebrated, encouraging them to be better by implementing the most avant-garde in all communities.

By recognizing the talent at the beginning of the participants' career and by offering them the opportunity to collaborate and support each other, this award empowers a generation of young architects.

Jury.- The jury of the Prize for Excellence of the International College of Professional architecture division will be composed of world-class architects, engineers, planners, designers and academics such as architect Erick Tomich, builder of the Burj Kalifa Tower in Dubai.

Voluntary contributions are those that hold the Award for Excellence of the International College of Professionals C&C (Guerrero Jaguar) and affirm support for the culture of excellence for which we fight. The funds for the Excellence Award come from academic institutions, foundations and international organizations. Several donor companies have generously committed to achieve this goal.
